### Collection Contents

#### PG 212: Ruth Levin Photograph Collection(16 records)

**PG 212** - Coupled with the Center's extensive oral history collection, this small collection of photographs, donated to the library in the 1990s, provide a fascinating window into the changing nature of family life and small business ownership along the Columbia Pike corridor between the 1910s and the 1960s.

Coupled with the Center's extensive oral history collection, this small collection of photographs, donated to the library in the 1990s, provide a fascinating window into the changing nature of family life and small business ownership along the Columbia Pike corridor between the 1910s and the 1960s.
