RG 362: Records of the Arlington Association Holly Ball, 1964-1986(16 records)

The Holly Ball was a debutante ball put on by the Arlington Association. The first ball was held in 1955; the Holly Ball is no longer held, but there are no records to indicate when it officially ended. Materials in this collection consist largely of correspondence among Arlington Association Board members and with outside vendors to plan the Holly Ball, documents pertaining to the rules for participation in the ball, participant and guest lists, and newspaper articles on the ball and debutantes. The number and breadth of materials decreases for later balls.
