#### RG 30: Historic Neighborhood and Building Reports, 1978-2008

Record Group 30 houses miscellaneous reports written about Arlington County neighborhoods and specific buildings that are historical in nature. These reports are, for the most part, unpublished works done by students of Historic Preservation from local colleges and universities, county generated studies, or Historic American Buildings Surveys (HABS). This active collection currently is 2.5 linear feet.

##### **Subgroup 1: Historic Neighborhood Reports**
