RG 19:

The personal papers in this collection are those collected and generated by Elizabeth Pfohl Campbell of Arlington, Virginia. Mrs. Campbell had long been involved in Arlington County educational and civic issues and active in many civic associations. She was a member of the American Association of University Women, the League of Women Voters, Women's Democratic Club, and the Arlington County Citizen's Committee for School Improvement.

Mrs. Campbell's involvement in the CCSI prompted her to run as a candidate for the first elected Arlington County School Board in 1947, and she served from 1948 through 1955. In 1956, the Virginia General Assembly mandated appointed school boards and Mrs. Campbell accepted an appointment, serving from 1960 to 1963.

The collection measures approximately seven linear feet and covers the period from 1945 through 1991, with the bulk of the material falling between 1947 and 1959.
